## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Office of the State Courts Administrator** assume the development of court forms for statewide use falls under the authority of the State Judicial Records Committee. It is assumed the Missouri Bar would work with the State Judicial Records Committee on the creation and distribution of the new form. The cost of creating the form is unknown but expected to be less than \$100,000.

Officials at the **Department of Social Services Children's Division** and the **Division of Legal Services** each assume no fiscal impact from this proposal.

**Oversight** assumes the Office of the State Courts Administrator could absorb the one-time cost associated with the creation and distribution of the new form.

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

### FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
